Availity Expands Partnership with Molina Healthcare *Real-Time and Batch Transactions To Be Available for Florida Providers*

JACKSONVILLE, FL- Availity, LLC, the industry's premier health information network, announced today an expanded partnership with Molina Healthcare, Inc., a national leader in providing affordable health care to families and individuals. With this expanded collaboration, Florida providers will have access to Molina Healthcare via the Availity secure web portal for the transmission of real-time eligibility and benefits, authorizations and referrals, and claims. This enhances Availity's existing partnership with Molina Healthcare for batch claims and underscores their mutual commitment to reducing health care costs and increasing efficiencies to improve patient care.

"Molina Healthcare has aligned with Availity to serve as the real-time information network for their Florida providers," said Russ Thomas, president and chief operating officer for Availity. "By expanding our partnership, we're helping to create improved interoperability among multiple health care stakeholders, resulting in significant time and cost savings, and improved patient care."

For nearly 30 years, Molina Healthcare has been providing access to quality health care and serving the needs of families and individuals through no-cost and low-cost programs. Molina Healthcare supports more than 1.2 million members and communities in California, Florida, Michigan, Missouri, Nevada, New Mexico, Ohio, Texas, Utah and Washington.

"Availity's strong market presence in Florida, combined with their reputation for exceptional service, proved to be a winning combination," said Shawn Shahzad, director of information technology for Molina Healthcare. "We look forward to improving information exchange with Florida providers."

About Availity, LLC – Patients. Not Paperwork.®

Availity optimizes information exchange between multiple health care stakeholders through a single, secure network. The Availity Health Information Network encompasses administrative, financial, and clinical services, supporting both real-time and batch exchange via the web, business to business (B2B) integration, and electronic data interchange (EDI). For more information, including an online demonstration, please visit www.availity.com.

About Molina Healthcare
