2330G	Other Payer Service Facility Location	Not used		Not allowed	No ID accepted.
2330H	Other Payer Supervising Provider	Not used		Not allowed	No ID accepted.

## 270 – Eligibility & Benefits Inquiry (x092A1)

Loop Number	Loop Name	NM108	REF01 (sec id) - Required	REF01 – Allowed	Notes
2100B	Information Receiver	XX required if NM101 equals 1P,FA,GP, or 80		0B, CT	NPI always required for Providers, Facilities, Hospitals, and Gateway Providers. State License Number and Contract Number are the only secondary IDs allowed.

Loop Number	Loop Name	PRV02			Notes
2100C, 2100D	Provider Information	Must be ZZ or HPI			NPI or Taxonomy Code required if there is Provider Information in inquiry.

## 276 – Claim Status Inquiry (x093A1)

Loop Number	Loop Name	NM108	REF01 (sec id) - Required	REF01 – Allowed	Notes
2100B	Information Receiver	XX optional		N/A	NPI optional.
2100C	Provider Name	XX required		N/A	NPI always required.

## 278 – Health Care Services Review - Request (x094A1)

Loop Number	Loop Name	NM108	REF01 (sec id) - Required	REF01 – Allowed	Notes
2010B	Requester	XX required		CT	NPI always required. Contract Number is the only secondary ID allowed.
2010E	Service Provider	XX optional *		All *	NPI optional. All secondary IDs allowed.

\* The XX requirement edit is currently relaxed due to payer industry concern that providers will not know other providers' NPIs. Qualifiers 24, 34, 46 and XX are allowed until experience shows that NPIs are being reported consistently. The REF01 allowed value edit will be relaxed concurrently.
