

HeW Software Release Notes September 12th, 2015

The September 12th HeW software production release contained the following:

- ✓ **Claims**
 - If a claim is imported with a future year (2105 instead of 2015, etc.), it can now be edited in the erred field.
 - Service Facility Location Number will now allow an outbound dash
- ✓ **Filter Maintenance**
 - Configuration screen error will now clear if user selects a User ID.
- ✓ **User Deactivation**
 - If a username has not been used to log into the HeW system for 60 days, the user will be deactivated. Please contact the HeW Support Center at 1-877-565-5457, option 1, if you are unable to login.

✓ **Print Claim**

- When printing a UB claim from web portal the Payer Name and Address will now appear in FL38.
- Updated Revenue Code descriptions for print claim feature.

✓ **Professional Claims**

- Delete button will remove contact information on the Service Facility auxiliary screen.

✓ **Remittance**

- Service line units have been added to the viewer and print.

✓ **Services Tab – Professional / Institutional**

- The service date fields will now automatically populate with the full date of the current month by just typing the day, i.e. type 29 and date will set to 07/29/2015.
